Colonel Ferreau,
Commandant, Royal Military College,
Kingston.

Dear Colonel Ferreau:

I shall make arrangements with Dean Ellis to see that every facility is afforded you to visit the laboratories and mechanical workshops of the University. It will be a pleasure to have you visit the University, and my only regret is that on that day I shall be absent on my way from Winnipeg for which I am leaving on Monday.

I esteem it as a compliment to have been asked to act as a visitor to the Royal Military College and only hope that my acceptance of the position has not prevented some one else who might render better service than I from accepting it. It may be difficult for me to so arrange my university duties here as to meet with the Board at Kingston, but if I know in time I shall endeavour to make my arrangements to suit.

Yours sincerely,

President.

ROYAL MILITARY COLLEGE,
KINGSTON.

Dear Dr. Falconer,

Very many thanks for your letter of the
3rd instant and your kind offer of assistance.
I can assure you I very much appreciate your
help.

Professor Martin and I will telephone to
Dean Ellis on arrival at Toronto and ascertain
from him what time will suit him.

Yours sincerely,

Colonel.

Dear Colonel Perreau:

I am sorry to have missed you when you were in Toronto but I am much pleased that you were able to get an idea of the equipment of the University under the guidance of Dean Ellis. I know that he appreciated your visit here.

I hope to be able to see the Royal Military College before very long.
